

Mike Arnold:

Ok thx

would you like to be on the official TXDOT 281 Alternate Route Task Force?

[REDACTED]:
Absolutely

Mike Arnold:

Done deal. Thanks

It's funny. TXDOT is starting an official one, and I have 100% control of it. The Council as theirs, to which they (not I) appoint members, but I'm the chairman... so if they don't make it how I want it, I just won't call a meeting, and we'll just drive it 100% with the state Task Force.
